- Campers who require medication must be familiar with the medications and dosage that they will be taking while attending camp.
- It is very important that you fully disclose all emotional, physical and psychological problems that your child has or has had in the past. We can better help your child have a successful camp experience if we have all the information.

- If you have any concerns about your child's health needs, contact Camp St. Charles.

VISITING

- During the camping season, we can only accommodate visitors on Visiting Sundays.
- Visiting Sunday is the Sunday midway through each two week session.
- Mini session campers check out on visiting Sunday from 1-1:30pm.
- Parents may arrive at 12:00pm and should leave by 5:00pm.
- Mass will be celebrated at noon in the nature area (weather permitting).
- You may picnic at camp and are subject the same boundaries and rules as our campers.
- If your child will be leaving camp property during visiting Sunday, be sure to sign out in the mess hall.
- Children may be signed out of camp by guardians or by other adults if guardians have completed a child custody form granting permission to other adults.

PHONE

- One of the major benefits that children receive from residential summer camp is an increase in independence
- We feel that phone calls between parents and children can interfere in this development of self-reliance. Campers may not use the phone. Exceptions may be made in case of emergency. Please review the procedures for sending email and mail to campers.
- If you would like reassurance about how your child is doing, we would be happy to check with his or her counselors and let you know. Campers are not permitted to bring cell phones to camp.

MAIL AND E-MAIL FOR CAMPERS

- Please send ALL CAMPER MAIL to Camp St. Charles, Camper Name, Cabin #, P.O. Box 99, Issue, MD 20645.
- Mail received at camp after a camper's return home will be returned to sender.
- Parents are encouraged to provide envelopes, stationary, postcards and postage so that you can hear from your child during their stay at camp.
- Children love to receive packages at camp. We have had great experiences with the Sealed With A Kiss Company but you may send other care packages as well. You are welcome to create your own care packages. No chewing gum is permitted at camp. Individually wrapped snacks are allowed.
- Allow ample time for mail to reach your child. It often takes longer for mail to reach us than you might expect, EVEN guaranteed delivery by FedEx and UPS.
- You may send emails to your camper via **Bunk1.com**. More information about this service is available on the website. This service also allows you to see photos of your child at camp.

PARENT-CHILD WEEKEND: MAY 30-JUNE 2, 2019 (FRIDAY EVENING - SUNDAY MID-DAY)

- The goal of this weekend is to provide a "dry run" of the summer camp program. Campers get to "try out" our summer program before enrolling.
- We offer many of the summer activities and follow the summer camp schedule so that new campers will feel comfortable when they arrive at camp.
- Families do not have to be registered for summer camp to attend this weekend.
- Check the camp website for more information about the schedule and fees.
- This weekend is a great opportunity for first time campers and their families to see camp in action.
- Cost of weekend is \$50 per person and camp counselors volunteer to provide this opportunity for families to experience CSC.
