MEDICAL FORMS AND REQUIREMENTS:

- **Campers must have had a physical within the last 24 months to attend camp.** We highly recommend an annual physical and require an annual physical for any camper with a health condition such as diabetes, history of seizure, asthma, other health concern, etc. at the discretion of the camp director.
- Campers who require medication must be familiar with the medications and dosage that they will be taking while attending camp.
- It is very important that you fully disclose all emotional, physical and psychological problems that your child has or has had in the past. We can better help your child have a successful camp experience if we have all the information.
- Complete and return all pages of the Camp St. Charles Health Form. **The health form and information regarding CampMeds** and medical treatment at camp **will be mailed in the confirmation package** upon enrollment.

- All regularly scheduled over the counter and prescription medications must be packaged by CampMeds. Liquids, inhalers, epipens and nebulizers may be brought to camp and must be turned into the camp nurse.
- Packaging of medication via CampMeds costs \$50 (more if a camper attends for more than two sessions). Camp St. Charles will pay \$25 of the packaging fee and the camper will pay \$25 of the packaging fee in addition to any co-pay that may be due. Prescriptions submitted to CampMeds less than 30 days prior to camp attendance will result in a \$25 late fee, payable by the camper.
- In the unlikely event that CampMeds is unable to work with a camper's health insurance company, CampMeds will inform Camp St. Charles and that camper will not be required to utilize CampMeds.
- All medications that are shipped by CampMeds to Camp St. Charles are to be checked by the parent upon check in to camp. Prior to arriving at camp, our infirmarian will review the medications and parents will receive e-mails from CampMeds to verify that the correct medications have been sent to camp.
- More detailed information, including an FAQ page regarding CampMeds is available on the Camp St. Charles website.
- If you have any concerns about your child's health needs, contact the camp director.

VISITING:

- During the camping season, we can only accommodate visitors on Visiting Sundays.
- Visiting Sunday is the Sunday midway through each session.
- Parents may arrive at 12:00 p.m. and should leave by 5 p.m.
- Mass will be celebrated at noon in the nature area. (weather permitting)
- You may picnic at camp and are subject to the same boundaries and rules as our campers.
- If you wish to take your child out to lunch, you must sign him or her out in the mess hall.
- You may not take other children from camp property unless we have a completed child custody form on file.
- Cell phones are not permitted.

PHONE:

- One of the major benefits that children receive from residential summer camp is an increase in independence.
- We feel that phone calls between parents and children can interfere in this development of self-reliance. Campers may not use the phone.
- If you would like reassurance about how your child is doing, we would be happy to check with his or her counselors and let you know.

MAIL FOR CAMPERS

- Please send ALL CAMPER MAIL to Camp St. Charles, *CAMPER NAME*, Cabin #____, P.O. Box 99, Issue, MD 20645.
- Mail received at camp after a camper's return home will be returned to sender.
- Parents are encouraged to provide envelopes, stationary, postcards and postage so that you can hear from your child during their stay at camp.
- Children love to receive packages at camp. We have had great experiences with the Sealed With A Kiss Company but you may send other care packages as well. You are welcome to create your own care packages. No chewing gum is permitted at camp. Individually wrapped snacks are allowed.
- Allow ample time for mail to reach your child. It often takes longer for mail to reach us than you might expect, EVEN guaranteed delivery by FedEx and UPS.
- You may send e-mails to your camper via **Bunk1.com**. More information about this service is available on the website and will be included in your 2nd confirmation package. This service also allows you to see photos of your child at camp.
