

**2010 Parent-Child Weekend  
at Camp St. Charles  
April 30-May 2, 2010**

**Purpose:** To provide parents and children an opportunity to enjoy camp activities together and to provide a “dry run” of summer camp for families that are deciding about over night camp for the summer

**Schedule:** On Friday evening, families will arrive between 5 and 8pm. Camp will provide refreshments and a movie or campfire while other families arrive and settle in. Campers will stay in camper cabins and parents will stay in other cabins.

Saturday will run like a typical camp day. We will provide 3 meals. Children and parents will be organized into teams for the day’s activities. The schedule will depend on the staff members that are available for the weekend and we will offer as many camp activities as possible. We will offer some of the following...arts and crafts, sports, archery, riflery, boating, environmental education and challenge course. Parents and children will participate in activities together.

Sunday morning we will have breakfast and then will begin the parent-child competitions. These are fun and often messy contests that wrap up our weekend.

**Who may attend?** The goal of the weekend is to prepare prospective new campers for their first summer camp experience with Camp St. Charles. Camp provides summer adventures for campers ages 7-13 years old but younger siblings are welcome to come to the weekend.

**Cost?** The cost of the weekend is **\$40 per person**. A child may attend with an adult sibling or other adult if a parent cannot attend. Our staff members volunteer their time to provide the weekend so we are able to keep the costs low. Some families choose to make a donation to help support the camp program in addition to the weekend fee. Those donations are very much appreciated.

**What to bring?** You should pack the same things that you would bring for summer camp, only less of it!

- twin bed size sheets, blanket, pillow
- towels
- shampoo, shower gel, toothbrush, toothpaste, toiletries

- any prescription medications (must be kept by parents or turned into camp staff)
- clothes for cool and warm weather
- clothes that can get very dirty (esp for parent-child competitions)
- sunscreen, bug repellent
- hat or visor
- don't bring things that are not permitted at camp. Don't bring electronic toys, fireworks, gameboys, chewing gum, cell phones, ipods, firearms, alcohol, drugs, etc. (Parents may carry their phones.)

### **How to register?**

Complete the application and mail it or fax it to Sheri Belisle.  
Camp St Charles, Registration Office  
9692 Meadowview Lane  
Newburg MD 20664
