Camp St. Charles Mini Sessions A & B

CAMP ACTIVITIES

- Mini Session campers will have an opportunity to participate in Giant Swing (high ropes), horseback riding or Hydro (tubing). Due to the length of mini camp sessions and number of campers served, it is not possible to provide all 3 activities to all campers.
- All campers will be scheduled to participate in the following activities at camp: swimming, arts and crafts, environmental education, canoeing, small craft boating, stand up paddleboarding, archery, camp fires, field games, gaga ball.
- Campers who are Middies (6-9 years old) will also participate in BBs.
- Campers who are Minors (10-11 years old) will also participate in riflery.
- Campers who are Majors (12-13 years old) will also participate in riflery.

MEDICAL FORMS AND REQUIREMENTS (Subject to change per health department guidance)

- All required and optional forms can be viewed and completed via Ultracamp. Please do not email health forms. Required and optional forms can be found on ultracamp.
- To view forms that need to be completed, log into ultracamp and view the message center. Missing forms will be listed as tasks or alerts. Click on the document to complete it. Scroll down in the message center to view forms that have been submitted and to view emails from Camp St Charles.
- The Camp St Charles Annual Health form can be completed online in ultracamp by parents/guardians.
- The physician's physical can be uploaded to ultracamp. Parents may opt to use the Camp St Charles Physician's physical form or another physical record that includes a physician's signature, date of exam and statement of health/suitability for camp attendance.
- Upload your child's insurance card. Children covered by Tricare may upload a letter documenting coverage in place of an insurance card.
- Children who attend school in the United States and meet the school's immunization requirements are NOT required to submit immunization records. Children who do not attend school in the US or who have not been immunized per the school's immunization requirements should provide immunization records.
- Additional optional forms, such as the Camper Information Form, are helpful but not required.
- Campers who require medication must be familiar with the medications and dosage that they will be taking while attending camp.
- It is very important that you fully disclose all emotional, physical and psychological problems that your child has or has had in the past. We can better help your child have a successful camp experience if we have all the information.
- The health form and information regarding medical treatment at camp is available for download at campstcharles.org.
- If you have any concerns about your child's health needs, contact Camp St. Charles.

WE WILL BE UTILIZING A KISS AND RIDE STYLE DROP OFF. PARENTS ARE ASKED TO REMAIN IN THE CAR AND CAMP STAFF WILL ASSIST CAMPERS WITH GETTING TO AND SETTLING INTO THEIR CABINS.

PHONE

- One of the major benefits that children receive from residential summer camp is an increase in independence.
- We feel that phone calls between parents and children can interfere in this development of self-reliance. Campers may not use the phone. Exceptions may be made in case of emergency. Please review the procedures for sending email and mail to campers.
- If you would like reassurance about how your child is doing, we would be happy to check with his or her counselors and let you know. Campers are not permitted to bring cell phones to camp.

E-MAIL FOR CAMPERS

- Parents are encouraged to provide envelopes, stationary, postcards and postage so that you can hear from your child during their stay at camp.
- Children love to receive packages at camp. Parents may leave letters and ONE package with camp staff during check-in. Due to the shortened sessions and slow mail, we strongly recommend that parents do not attempt to send mail or packages to camp. Individually wrapped snacks are allowed.
- You may send emails to your camper via **Bunk1.com**. More information about this service is available on the website. This service also allows you to see photos of your child at camp.

PHOTOS

Our camp photographer will take many daily photos of our campers. The photos are available to view on bunk1.com. Please use your bunk1 account information to access the photos and to save your favorites. Photos are uploaded overnight and new albums will be posted in the morning. Rainy weather may impact our internet access and delay the posting of photos. Every effort is made to upload photos daily and promptly. Some campers do not enjoy having their photo taken. We will do our best to capture some moments of each camp day without interrupting the fun.
