

Camp St. Charles Packing List

Camp St. Charles is not responsible for your child's belongings.

Labels help us to get items back to your child.

This list is for 2 Weeks of Camping at Camp St. Charles. Many parents bring their children to camp with one week of clothing. On visiting day, parents may bring clean clothes and take the dirty items home. Mini Session campers will need half as much clothing.

Please do not send expensive clothing/bedding or other items. Items may be lost and are likely to get dirty.

Pocket knives are permitted for fishing only and must be kept in a tackle box and may only be used at the dock.

Medications will be turned into the Camp Nurse during check in. All medications (Rx or OTC) must be original containers. No pill organizers or baggies.
