Date

In some cases, a parent may wish to indicate several adults who may take custody of their child. In this case, we ask that you list each adult on the same form and initial next to each name.

In some special cases, a parent may need to check out at a time other than the specified check out time. We ask that you speak to the Director about these arrangements. We also ask for a phone call at camp **24 hours prior to the check out time so that we can ensure that your child is packed and ready to leave when you arrive.
