MEDICAL FORMS AND REQUIREMENTS (Subject to change per health department guidance)

- A complete Camp St. Charles health form is required annually. Parents may attach a recent physical that is recorded on a different form if the Doctor's signature, date of exam and statement of general health are included. Pages 1-3 of the Camp St. Charles health form must be completed for all campers annually.
- Campers must have had a physical within the last 24 months to attend camp. We highly recommend an annual physical and require an annual physical for any camper with a health condition such as diabetes, history of seizures, asthma, other health concerns, etc. at the discretion of the camp director.
- Campers who require medication must be familiar with the medications and dosage that they will be taking while attending camp.
- It is very important that you fully disclose all emotional, physical and psychological problems that your child has or has had in the past. We can better help your child have a successful camp experience if we have all the information.
- The health form and information regarding medical treatment at camp is available for download at campstcharles.org.
- If you have any concerns about your child's health needs, contact Camp St. Charles.

WE WILL BE UTILIZING A KISS AND RIDE STYLE DROP OFF. PARENTS ARE ASKED TO REMAIN IN THE CAR AND CAMP STAFF WILL ASSIST CAMPERS WITH GETTING TO AND SETTLING INTO THEIR BUNKS.**PHONE**

- One of the major benefits that children receive from residential summer camp is an increase in independence
- We feel that phone calls between parents and children can interfere in this development of self-reliance. Campers may not use the phone. Exceptions may be made in case of emergency. Please review the procedures for sending email and mail to campers.
- If you would like reassurance about how your child is doing, we would be happy to check with his or her counselors and let you know. Campers are not permitted to bring cell phones to camp.

E-MAIL FOR CAMPERS

- Mail received at camp after a camper's return home will be returned to sender.
- Parents are encouraged to provide envelopes, stationary, postcards and postage so that you can hear from your child during their stay at camp.
- Children love to receive packages at camp. Parents may leave letters and ONE package with camp staff during check-in. Due to the shortened sessions and slow mail, we strongly recommend that parents do not attempt to send mail or packages to camp. Avoiding the mail will also help our staff to limit contact with others during camp. Individually wrapped snacks are allowed.
- You may send emails to your camper via Bunk1.com. More information about this service is available on the website. This service also allows you to see photos of your child at camp.

PHOTOS

Our camp photographer will take many daily photos of our campers. The photos are available to view on bunk1.com. Please use your [bunk1](http://bunk1.com) account information to access the photos and to save your favorites. Photos are uploaded overnight and new albums will be posted in the morning. Rainy weather may impact our internet access and delay the posting of photos. Every effort is made to upload photos daily and promptly. Some campers do not enjoy having their photo taken. We will do our best to capture some moments of each camp day without interrupting the fun.
