Permission to Seek Emergency Medical Treatment: (required for camp attendance)

This health history is correct and complete as far as I know. The person herein named has permission to engage in all camp activities except as noted on this form and discussed with camp director. I hereby give permission to Camp St. Charles to provide, seek and consent to routine health care, administration of prescribed medications, and emergency treatment for me/my child, as may be necessary, including but not limited to x-rays, routine tests and treatment, and/or hospitalization. I also give permission for the camp to arrange related transportation. I agree to the release of any records necessary for treatment, referral, billing or insurance purposes.

It is my intention that the camp be treated as acting in loco parentis if the person herein named is a minor. Further, it is my intention that the appropriate representative of the camp be treated as "personal representatives" for the purposes of disclosing protected health information pursuant to the privacy regulations promulgated pursuant to the Health Insurance Portability Act of 1996. I hereby agree to the disclosure to camp representatives of the protected health information of the person herein described as necessary: (I) to provide relevant information to the camp representatives related to the person's ability to participate in camp activities; and (II) in the care of minors, to provide relevant information to the camp representatives to keep me informed of my child's health status.

In the event that I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp to secure and administer treatment, including hospitalization, for the person named above. This completed form may be photocopied for trips out of camp.
