Shopping for Camp

Follow the CSC packing list for your child's session length (mini or two week)

Crocs or other closed toed shoes that can be worn wet

Sneakers (old pair pls)

LABEL everything for camp (sharpie or Mabel's Labels) with full name, not initials

Trunk, footlocker or other sturdy container that a child can sit or stand on (We recommend Everything Summer Camp brand trunks)

Mesh or fabric laundry bag

We recommend Everything Summer Camp Brand trunks

Linked on the Camp St Charles website on the camp forms page

Trunk/Footlocker must be sturdy enough for campers to sit or stand on

A toolbox style can be a good option

My adult daughter's truck with CSC stickers. Each camper receives a sticker for the season

Not recommended, particle board trunks break easily and have weak hinges

Shoes for Camp

Most campers wear crocs

Pro tip: take a photo of your child's shoes, in the event that they leave a pair behind, we are better able to find them

Most boys wear black sneakers and black or navy crocs, pls label well

Help your Camper to stay organized at Camp

Simplify products when possible (3 in 1 shampoo, conditioner, body wash)

Small size products in a manageable shower caddy

Showers are near cabins but in a different building so campers will go with counselors to shower time. (a cover up or lightweight robe is helpful)

Practice wrapping up in a towel in a modest way

Practice applying sunscreen, provide a sunscreen that your child likes/tolerates

Practice asking for help from a counselor

Shower Caddy Options

Practice carrying caddy while wrapped in towel, to prep for walking to and from the camp showers

Bunknotes and Bunk replies

Bunknote credits are an optional additional fee

A typical family may opt to purchase 3 credits per camp day, per child

Campers receive bunk notes daily after lunch

Messages from parents are batched daily at 11am to send to CSC

Campers can write back with a bunk reply sheet

Many parents set up their bunknotes after they get home from drop off day

Will show sample bunk notes here

Viewing Photos during Camp

Photos are shared on the bunk1 app

Our goal is to take a selection of photos daily

Not a photo of every child at every activity

Save favorites to view with your camper

Some campers love photos, others not so much

Can opt to use facial recognition to search more easily

One photo per day is our goal

Reach out if you haven't seen a photo for 2 days so our photographer can be sure to seek out your camper
